

CAN YOU HELP US

If you want to read the stories of the men and woman who answered the call to defend our country and our village in the two Great Wars and beyond, copies of our book are still available via the link on this website. Go to Publications – FOR THE DURATION - ELSENHAM IN CONFLICT and find the link “You can order your copy by clicking here”.

If you have more information, materials or photographs on any of those in our book or on the Rolls of Honour, or indeed of any aspects of Elsenham life please contact us, there is a “Contact Us” button on the website. We’d love to hear from you.
